Aspirant Group

Announcement Regarding Sale of Shares of Informatix

Aspirant Group Inc (“AG”) is pleased to announce that a fund managed by AG (AG II Investment Limited Partnership) has reached an agreement with ORIX Corporation (“ORIX”) regarding the sale of the entirety of its shareholding in Informatix Inc. (“Informatix”) on December 8, 2020 and concluded the transaction on December 24, 2020.

ORIX is a diversified financial service group, which operates in numerous domains including leasing, corporate finance, industrial/ICT equipment, environment and energy, automobile-related, real estate-related, private equity investment and concession, banking and life insurance businesses. The information technology domain has been one of their focuses, and they have invested in Primagest, Inc., an information processing service provider, and APRESIA Systems, Ltd., which provides networking equipment.

Informatix is a comprehensive solution provider, which offers computerization of three-dimensional space and GIS (geographic information system) solutions, and has a strong customer base, including government and municipal agencies. Since the time of investment, AG has supported Informatix through operational improvement, re-examination and implementation of business strategies, and expansion of new business and customer base by leveraging AG’s network.

ORIX has recognized the know-how held by Informatix as a spatial information solution provider, leading to the successful completion of this transaction. AG believes that Informatix can further develop its spatial information solution technology and expand its business in promising IT-related fields by leveraging ORIX’s business platform.
