Announcement Regarding the Initial Public Offering of
OutlookConsulting Co., Ltd

Aspirant Group Inc. ("AG") is pleased to announce that OutlookConsulting Co., Ltd ("OutlookConsulting," Growth Section of TSE 5596), which is the portfolio company of AG II Investment Limited Partnership managed by AG, has been listed on the Tokyo Stock Exchange as of today.

With the mission of "contributing to the realization of a better future for all companies and society through information technology and knowledge," OutlookConsulting has developed a unique cloud-compatible ERP software "Sactona" that enables companies to enhance the sophistication and efficiency of their business management, including budget management and budget planning. Since our capital participation in OutlookConsulting, AG has been working to strengthen the organizational structure and support the growth of OutlookConsulting in preparation for its initial public offering.

OutlookConsulting aims to improve transparency and credibility and further expand its business by going public. As the need for more sophisticated and efficient corporate management grows, we believe that by going public, OutlookConsulting will be able to better meet these social expectations.
